

**Hey NYC Voters,**

**If you filled out an absentee ballot, you can avoid the lines and promote safe, contactless voting, by dropping off your ballot at any of [these](#) secured ballot boxes.**

**These boxes can be found at all Early Voting and Election Day Poll sites, as well as any Election Board office.**

**Just remember that on Election Day, not all Early Voting locations will still be open for drop off, so be sure to visit [findmypollsite.vote.nyc](https://www.vote.nyc.gov/findmypollsite) to confirm the hours and location for the ballot box closest to you.**

**And, if you are stopping by an Election Board office, visit [vote.nyc](https://www.vote.nyc.gov) for addresses and extended office hour schedules.**

**Vote Safe, NYC!**
